

Dear Parent / Carer,

The Laurels Primary is part of a new operation which runs jointly with Sussex Police.

Operation Encompass has been designed to provide early reporting to schools / colleges of any domestic abuse incidents that occur in which a child was present, usually lives at the incident location, or lives with an involved party. We know that children can be significantly affected through witnessing or being exposed to domestic abuse and this operation will allow us to better support our pupils and their families.

At The Laurels Primary, I am the Key Adult who liaises with police. I will use information that has been shared with me, in confidence, to ensure that the right support is available should it be required by a child and / or their family.

We are keen to offer the best support available to our pupils and we believe this is extremely beneficial for all those involved. If you have any concerns or questions then please contact me and I will be happy to discuss this further.

Thank you for your continued support,

Charlotte Bull
