25 October 2019

Dear Parent/Carer,

After half term, we will begin to introduce the children to metacognition; this will enable the children to think more closely about their learning and **how** they learn. Over time, this will enable the children to monitor, direct and review their own learning and as a result, they will develop a good understanding of their strengths and areas for development. This will motivate them to achieve their goals and encourage resourceful, reflection and resilience – skills for life.

On Monday 4th November, the first day back after half term, we would like the children to dress up as the person they'd like to be when they are older e.g. a teacher, gardener, receptionist, artist, train driver etc. and we will discuss how they can achieve this.

We look forward to seeing you after half term.

Kind Regards,

Mr Tom Edwards
KS2 Leader
