Dear Parents and Carers,

As you know, we work as a team and your children are always our top priority.

In response to the current Covid-19 (Coronavirus) outbreak, we would like to continue to reassure you that we are monitoring the situation extremely closely. We understand the impact this situation is having, and know that the situation will pose many questions.

We are receiving updates from Public Health England and the Department of Education (DfE) on a daily basis and following their guidance and recommendations. Our first priority is the health and wellbeing of our children, staff and parents. We are committed to ensuring that learning can continue safely during this period of uncertainty.

Should you have any general questions about the guidance being provided to schools, the DfE have launched a helpline for staff, parents and students, the details of which are below:

Helpline (8am-6pm Mon-Fri): 0800 046 8687

You can also email DfE.coronavirushelpline@education.gov.uk

We will send further information out about trips as soon as we have further information from Public Health England and the DfE.

We thank you for your continued support it is much appreciated.

Yours sincerely

Miss Charlotte Bull
Headteacher
