

February 2020

Dear Parent/Carer

**A brand new and FREE creative writing club is coming to  
Laurels Primary School for 8 weeks: Every Friday from 13 March to 22 May 2020**

**Get free help and inspiration with writing and being creative with  
Little Green Pig – space to create for young writers**

Would your child like to join a fun and friendly club to get creative, express their ideas and get support with their writing? We're looking for children from **years 3 - 6** (aged 7 - 11) to join our Friday after-school club at Little Green Pig, based at Laurels Primary School this spring.

We will be creating Worthing's first Travel Guide, written exclusively by local young people for other young visitors to the town. We partner with creative professionals to encourage and support young people's ideas and in their writing; we also create platforms for their words to be read, seen or known by the public. The Worthing Travel Guide will be professionally published and launched to the public in the summer.

On top of this, each child that participates in the after-school club will work towards receiving a Discover Arts Award certificate, which they will achieve by the end of the project!

To find out more about what we do and who we are, please have a look at [www.littlegreenpig.org.uk](http://www.littlegreenpig.org.uk) - the *Showcase* page under *Learning programme* will give you an idea of the scale and types of projects we have been involved in.

The club is suitable for children of all abilities. Children work at their own pace supported by volunteer story mentors, all of whom are fully trained and DBS checked. The emphasis will be on having fun and being creative. Above all, we empower and champion children to see themselves as writers whilst improving their literacy and communication skills, as well as increasing their confidence.

The Friday club is **FREE** and is a fantastic opportunity to work with a creative team of professional writers and artists! Why not sign up today? (there are 15 places in total).
