

The Laurels
PRIMARY SCHOOL
YEAR 6
Leavers Card

“

I joined The Laurels in Year 3, this is where I made friends with Ben, Louis, Charlie, Tyler and Ashley. We like to play games at break time together. In Year 4, I really enjoyed going on the school trip for the day. When we were in Year 5, there were loads of different teachers. My favourite part of this year was borrowing Miss Pinney's audio books. The best Year was Year 6 because I got to meet Mr. Edwards; he is such a good teacher! Unfortunately, we missed the school trip because of COVID-19.

Jamie Walker

I have enjoyed my time at the
Laurels. I'm going to miss it and the
teachers when I go up to high school.

Tyler Goble

“

I have had such an amazing time at
The Laurels and I am going to miss all the fantastic
teachers that have helped me over the last 7 years.

I would like to say a special Thankyou to Miss Marret who
has helped me so much with my Maths.

I have so many happy memories from The Laurels and
have made some great friends over the last few years who
hopefully I will continue being friends with at High School
a big Thankyou to everyone who has supported me and
helped me to become the person I am today.

THANK YOU!

Alfie Bowley

Reception: I started reception not knowing many people then I made a friend called Max I remember the teacher chucking rubbish around the classroom the most.

Year 1: I remember having a very tall teacher who played the guitar and taught us about spiders (that's probably why to this day I'm scared of spiders!) He was a nice teacher.

Year 2: In Year 2 we had the same teacher as Year 1 I remember trying the school play I didn't like it and after the play I remember after that the whole class pretended to be cows.

Year 3: I remember in Year 3 some of the class left to go to the Orchids. We had a teacher called Mrs. Power (she left last year). Then, I made friends with Kyle.

Year 4: This was my favorite year so far because we had our residential to Hailing Island. We had a teacher called Mrs. Parker. In that year the first year six class left.

Year 5: Ok I remember this one more clearly. at first, we were going to have Mrs. Collins as a teacher but that didn't happen so we had Mr. Butt and Miss Sayers. I remember accidentally shooting a rocket through a small gap in the window and it landed in the pond.

Year 6: let me just say that I've never had such a strange year. I wish we could have had fun after the SATs but we didn't, because we couldn't finish half the school year. Luckily Mr. Edwards was so amazing!

Rayyan Merabet

“

This is me in Year 6 of The Laurels Primary School.

My best friends are Kyle and Rayyan.

My favourite teacher was Mr Butt.

My favourite memories are the science fair in
Year 5 and the residential in Year 4.

Louie Woodcock

“

Year 6 has been a challenging year. But besides that, being a head girl has been an amazing opportunity. Thank you so much Miss Bull and Miss V. Thank you Miss bull for really supporting me and helping when things were difficult for me. And Miss V for giving me the opportunity to try something new and I loved every Thursday morning when we practised, it really helped me be more confident. Mr Edwards thank you for teaching me so many new things.

Annabelle Burch

Ever since I joined the laurels they have been kind to me. They have looked after me and cared when I was hurt (which happened a lot because I hurt myself all the time) all the teachers helped me when I didn't understand my work. I made lots of friends there such as Alfie B, Alyse, Rayyan, Kyle, and many more that have moved on. Alfie has actually been my best friend since Little Oaks, which is now gone, he made me laugh when I was sad we laughed together when we thought of something funny (like me when I went to Jake's birthday party at flip out and I did a front flip and landed on my back on a metal bar and couldn't move)

All my teachers have been the best. A lot of them have left but I still think about them some are strict, some are funny and some are both. My favourites were Mr Butt (not because of his name) and Mr. Edwards because they are both really funny and strict at the same time and they make the whole class laugh (most of the time). I don't actually think I have had the best time at the Laurels because I love all of it and I will never forget it.

Ryan Bird

“

My time at the laurels was the best 7 years of my life I have had some amazing teachers and two of them are Mr. Edwards and Miss Marret who are my teachers this year. I have made lots of friends that will always be my friends. Sadly, my time at the Laurels was ended early due to covid-19. I will always remember the laurels, the residentials and the fun day trips. The best time were at school with friends that are there for you during the good times and the bad. I will miss the Laurels lots.

Molly Brackston

“

I have enjoyed my time at the Laurels because I liked how it was a small school and not very crowded. I really liked my teacher because he is kind and funny, his English lessons were really good. I also enjoyed art and music.

Brigid Hanger

“

I joined the Laurels in Year 4 and I got to go on a school trip to Mill Rythe. I really enjoyed Mr. Eddie's amazing earthquake, reading 'The Book with No Pictures', and going on the computer. I enjoyed singing the 'Greatest Showman' songs in assembly, learning to play the trombone and going to guitar club. I like playing on the playground with my friends.

Charlie Cozens

“

I like being at the Laurels because I get to see all my friends and I have got a good education from there and I get out of the house and don't stay on my Xbox all day!

Ash Willson

“

My best times at The Laurels were when we had the Pudsey bear cake sale, because I got to run one of the stalls. And when some of my classmates came with me in year 5 and we played Bugsy Malone together, at Durrington High school. Then towards the end of year 5 we played the Grinch who stole Christmas, it was one of my favourite times of the year because I was the dog, Max and he never said a word and I liked that. I can't remember when, but some time in year 5 me and some friends, also other classes, did a play of the greatest showman, it was one of my highlights because I loved the choreography and all the dancing, costumes and more. I was little charity and it was most definitely one of my favourite times of year. In year 6 I was hoping to go to the Isle of Wight, but we couldn't because of coronavirus, so instead at home we all took part in doing fun, daily activities.

Nyah Hopkins

“

How my time at the laurels has been
My time at school has been fantastic I've made
new friends and learnt things I didn't Know about.
My favourite lessons so far are maths art P.E and
science and I also love when we plant plants and
do experiments with them for science.

Alfie Lupson

“

At the Laurels Primary School, I have really enjoyed being Head Boy. I really like the Teachers because they are kind and give you help when you need it. I have loved being year 6 with Mr Edwards. He always made me laugh, but sometimes he would be a bit annoying when he played songs by the Spice Girls!

Lorcan Macfarlane

“

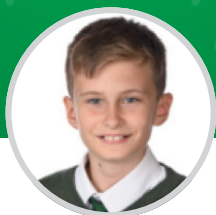

I really enjoyed my time at the Laurels Primary school!
They educated me well, and they have taught me many things that I didn't know. The GPS / English lessons were my favourite because

I was very good at it and some of the lessons were very cool!

The history I really enjoyed my time at the laurels primary school!

The history lessons were good, because they are very interesting.

I loved the P.E! We did all sorts of sports and fun things. My favourite was cricket because it is my type of sport! The art lessons were also very exciting. Year five really taught me well with art, and now I can actually draw good things like parrots and fish. Maths was quite hard for me. There is way too much to remember and too many questions and answers. But overall, the laurels have taught me a lot! Anyone that's new to the laurels will have a bright future! When I join high school, I will probably come back to school fairs because they were so much fun. I made lots of spectacular friends who will also have a bright future, and I hope I will too.

Kyle Smith

“

My journey at the laurels all began 3 years ago, when I joined in year 3. The first friend that I made was Louis Batson, as time went on I made more and more friends as more people were joining the school. In year 4, 2 new pupils joined: Louie Woodcock and Charlie Cozens.

Jake Ward

“

I met my best friend on day one in the toilets we were crying! This is when I first met Miss Marret, she was our class helper, but training to be a TA.

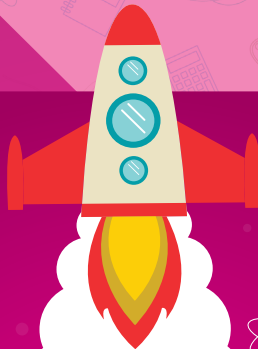

In Year 4, I had my tonsils out and I was able to spend a lot more time in class. We went on a trip to Mill Rythe for four nights, we had a great time.

Year 5 was a year of lots of different teachers.
This was a good year.

In Year 6, I taught a lesson in maths, I enjoyed that.
This should have been out final year at the Laurels, but because of the Coronavirus we finished the year at home.

Alyse Corcoran

“

I liked how kind people have been since I joined the school. I have made lots of friends at the Laurels and the teachers have been there when I have needed them.

Lucy Chambers

This is what happened when I was at the Laurels....

I have been at the Laurels for just under three years but that doesn't mean I didn't get the full experience. When I first joined in 2017, I had no friends. I had to choose who I would work with and it was very hard but I chose Molly. She helped me a lot and we became good friends, but that year wasn't just fun and games we had to do loads of work.

Year 4 was tough. It was a step up and a lot harder. I got into trouble a bit but I learnt not to eventually.

Year five was fun and hard but I also met the girl that made me so happy we weren't friends at first but we slowly became best friends we both got into trouble together but we always covered for each other! It was fun until the end, I got some bad news: she was moving house and school

Then year 6 happened, it was very hard but I reached the end and I'm not scared of my future because I want to live my life now.

Lillie House

“

Good luck for your move to high school. I am so proud of each and everyone of you and how you have handled this crazy year! Never forget that you are amazing and don't ever be afraid to be yourselves. Embrace challenge, be brave and if in doubt play the Spice Girls as loud as you can!

#GirlPower!

Mr. Edwards

“

Well done to you all for all your hard work at the Laurels, it's been lovely to share this journey with you! You will all be missed. I wish you all the best of luck in high school! You will be amazing!

Love Miss Marett x

Miss Marett

“

Dear Year 6

Thank you for helping to make this a wonderful
(if not a little bit short!) year. We will miss you and
the standard you set.

All the best for the wonderful journey you are about
to go on. High school is a lot of fun, and make sure
you make the very best of all the opportunities you
are offered, because it will go all too quickly.

Good luck!

Miss Pinney

“

Dear Year 6,

I would like to say goodbye and good luck to you all.
You have been a great year group and have been
good role models to the younger children.

We will never forget the Year 6 of the
Covid-19 pandemic!

Keep smiling and be amazing!

Mrs Collins

It has been an absolute pleasure to be your Headteacher.
Each of you has brought unique skills and talents to our school and
I look forward to seeing you flourish as you take the next step in your lives.
Some of you are great at mathematics and others are great at English,
singing, cooking, telling jokes, computing and so many other things that
I can't list them all here. Take these skills and build on them.

Here is some advice for the future:

Be brave when meeting people and trying something you haven't done before.

Have big dreams and ambitions!

Don't worry if something doesn't go to plan, try something else.

View difficult moments as a challenge. Learn from mistakes and try again.

Enjoy friends who are like you but also reach out and listen to those
who have different interests and backgrounds.

As you get older, you'll get to know yourself better. Always be true to yourself.
Most importantly, have fun and enjoy life. Smile and make others smile around you.

Be kind.

#Believe Achieve Succeed

Miss Bull
