8th October 2020

Dear Parent/Carer,

Year 6 Bikeability Cycle Training – Week commencing 9th November 2020

We are pleased to inform you that in November of this year your child will be able to participate in Bikeability Cycle Training. Bikeability is designed to give children the skills and confidence to ride their bikes on the road.

Bikeability instructors are employed by West Sussex County Council to deliver training in schools and are fully qualified National Standard Instructors and registered with the Department for Transport.

Training takes place on the road and it is vital that the children attend the course with an appropriate and roadworthy bike which is the correct size for them. The brakes must work and the tyres should have sufficient tread, and not be split or damaged. The chain should be oiled and if the bike has gears, these should be in good working order and easy for the child to change up and down through the gears.

The reason we are letting you know now is that to take part in this course your child will require the following:-

- A roadworthy bike (correct size for your child)
- A cycle helmet
- Comfortable clothing that is appropriate for cycling including safe footwear.
- A fluorescent/reflective tabard (This will be provided by the school)
- Signed permission from parent/carer

We would very much like every child to have the opportunity to take part. Please complete and return the slip attached. If you are unsure, or need further information please click on the below link.
