Dear Parents and Carers

Thank you for your support over the last year of changing government guidance. It is very much appreciated. I am writing with further updates to our risk assessment.

Masks

Based on the current state of the pandemic and the positive progress being made, face masks are now optional for parents collecting their children from outside their classrooms. If you opt not to wear a mask, please take responsibility for social distancing from other adults.

Overseas Travel

If you are travelling abroad in half term, please check which countries are red, amber and green.

If you visit an amber country, your child will have to quarantine at home for 10 days and self-test before your child can return to school.

If you travel to a red country, you must quarantine in a managed hotel and take 2 Covid-19 tests before your child can return to school again.

The countries currently rated as green are Australia, Brunei, Falkland Islands, Faroe Islands, Gibraltar, Iceland, Israel, Jerusalem, New Zealand, Portugal, Singapore, South Georgia and South Sandwich Islands, St Helena, Ascension and Tristan da Cunha. An up to date list can be found on the government website (countries can move between lists if conditions change), see link here: [Government guidance red, amber & green list countries and rules for re-entry to UK](#)

Thank you again for your support in keeping our community safe.

Yours sincerely

Miss C Bull
